

Academic achievement.

School excels in the academics by achieving 100% pass result in CBSE Board Exams.

Our students secured only First Division (no second division) year after year.

We applaud our Mentors, Parents and Students for achieving excellent results in CBSE (Term-1) examination 2022 for Class X.

Misha Kapoor scored perfect 100% (all Subjects).

For class of 75 students, total number of 100% scored in different subjects is 65.

28% of the class strength of 75 students scored above 95% marks in CBSE term 1 grade 10 exams.

52% of the class strength of 75 students scored above 90% marks in CBSE term 1 grade 10 exams.

This speaks for hard work of all stakeholders.

Environment education.

School believes in nature and its conservation. Every strategy is made keeping in mind Mother Earth.

Biophilic design of school building, 100% electricity demand met through solar energy, 100% water harvesting are the best example of it.

Students are always motivated to be in contact with nature, be it in the form of painting competitions, poster making competitions, special assemblies on save water, save earth, Mother nature, Pollution and associated hazards etc.

School strongly propagates pollution free environment by being plastic free zone and motivating each student to be a part of plantation drive. Every student has formed a habit to plant a tree on their special occasions (e.g. Birthdays) in school or at their home.

School actively participated in “BLENDED CAPACITY BUILDING PROGRAMME UNDER NAMAMI GANGA PROJECT “.

School has also participated in paryavaran competition in which a team of 5 students with one teacher was required to study environmental conditions and how could they be helpful in the sustainable development. Athenia High has Eco club called “Tree People “. This club is responsible for plantation and upkeep of trees in the school premises.

Sports achievement.

School has major emphasis on healthy development of child.

A campus area of 13.5 acres with 80% land dedicated to physical activity.

School cricket team has secured second position in the inter school competition.

Two students have got gold and silver medals in state level Wushu competition.

Our students have won various medals and certificates in various sports competition.
